Spring Grounds Clean Up! Tuesday, May 9

It is time for the annual spring school ground Cleanup. All those who have – rakes, shovels, wheel barrows, gloves, willing spirits, pitch forks, ladders, and more are invited to join! The Building and Grounds Committee is organizing a fun evening of working together to spruce up the playground and other general areas around the school. The Committee is preparing a list of jobs and activities in which everyone can participate; young and old, students and parents, friends and community members can all contribute to improve the appearance and safety of our facility and grounds. Set the evening aside to have fellowship, fun, and fruitful labour! Work will begin at **6:30 pm**. (Come as soon as you can after your family supper time!)

Helmets

Spring has arrived! We are glad students have the opportunity to stay active during our lunch and recess hours riding scooters, roller blades, ripsticks, etc. We are **strongly recommending** that, in order to keep your children safe, they wear helmets while they ride. Please talk this over with your child and make sure they come to school prepared. Thanks!
