Parking Lot

A reminder that there is no stopping in the driveway of the parking lot at any time. It is good to remind each other of safe parking lot practices. Please help us keep the parking spot for disabled people open by not stopping in that spot. **Also please avoid dropping your children off at the front steps of the school as the drop off zone is the second set of front doors.** Parents can should also feel free to park in any of the two CRC church parking lots as well. Thank you for your cooperation.

Prayer Request

As many of you already know, former Centennial Christian teacher and principal Mr. Curtis Tuininga was diagnosed with cancer just before Christmas. At this time, it was thought that the cancer was only in his esophagus and was treatable. After a PET scan in Vancouver, it was determined that the cancer was also in his liver and was already at a Stage 4 and incurable. As a result, the treatment plan is now palliative rather than curative. The treatments are intended to slow the progress of the cancer and will begin as soon as possible.

Curt started radiation treatments last week. Please pray for Curt, his family and the entire Cedars Christian School community in Prince George that they will all experience our Lord's deep peace, profound grace and incomprehensible strength in the days, weeks and months ahead.
