Goodbyes and Thanksgiving!

They say that every ending is new beginning. The 2017 -2018 school year is ending today, and it has been a roller coaster ride. Our staff had an opportunity to reflect on memories of this year and God's work in our school and we were reminded of His faithfulness to us for another year. It was a year of celebration and joy but also a year of grief for staff in the loss of parents and community members. If every ending is a new beginning, then we are excited for staff members who will not be joining us next year. **Estelle Lombard** has filled in admirably for Kelsey Merritt in the Development Coordinator position and we wish her God's blessing as she focuses on different opportunities and work next year. We also say good bye to **Deb Mantel** who has worked in the grade 4/5 classroom for over a year and has brought energy, love and compassion to students she has worked with. We wish her all the best in her future pursuits. Finally, we say good bye to **Kristine Ewald**, who has also worked in the grade 4/5 classroom bringing her fitness expertise into PE while developing a caring and loving approach to all students in the class. We will miss you all and trust that the ending you feel today will be a new beginning for you as "gardeners" in His kingdom.

We are also pleased to let you know that we have hired two support staff colleagues for next year:

Nicole Kriegl – will be joining us in the grade 10 classroom as SEA . Welcome, Nicole!

Rechelle Colville – will be joining us in the grade 4/5 classroom as EA next year. Welcome, Rechelle!

Enjoy your new beginning everyone! See you in September.

Tuition Update 2018

In order to streamline tuition payments, we require that all families sign up for pre-authorized tuition payments. This will help you and the school to save time and money by reducing the number of cheques.

Tuition will be paid in one of the following ways:

- pay the yearly tuition in a lump sum by September 30
- bring a void cheque to school from the account that you wish to pay tuition (tuition can be taken out on a 10 month or 12-month plan)
- If you do not have a cheque, request a form from your banking institution that has your banking information
- request an exception from the bookkeeper and Principal for an alternate method of payment.

Tuition for 2018/2019 has been set as follows:

Families with 1 child - \$6281

Families with 2 children - \$6747

Families with 3 or more children - \$7079

Be an Earth Keeper!

In an effort to be Earth Keepers and to consciously make less garbage – especially plastic – Heart & Hands will be launching a fundraiser next Fall that will help students, families, and staff to do just that! In September 2018 we will be selling re-usable snack bags and wet bags made by a great Canadian Company. Purchase of these re-usable items not only reduces waste but will raise funds for the school! Although summer days are ahead we just wanted to give you the heads up so you can plan for the Fall! See attached notice in this Flapper!
